

Mechanical Ventilation (MV) Care Equipment

- Mechanical Ventilator •
- Endotracheal Tube (ETT) •
- Tracheostomy Tube •
- Laryngoscope + Blades (Macintosh / Miller) •
- Stylet •
- Syringe (10–20 mL for cuff) •
- Manual Resuscitation Bag (Ambu Bag) •
- Water Trap •
- Bacterial / Viral Filter •
- Heated Humidifier •
- Sterile Water •
- Oxygen Supply (Wall Outlet / Cylinder) •
- Medical Air Supply •
- Oxygen Flowmeter •
- Pulse Oximeter + Probe •
- Stethoscope •
- Suction Catheter •
- Suction Apparatus •
- Sterile Gloves •
- Sterile Saline •
- Oral Care Supplies (swabs / toothbrush) •
- Tape or ETT Holder •
- PPE (gloves, mask, goggles) •

Tracheostomy Tube Care Equipment

- Sterile Gloves •
- Clean Gloves •
- PPE •
- Sterile Tracheostomy Dressing •
- Sterile Gauze •
- Normal Saline •
- Hydrogen Peroxide •
- Sterile Cotton-Tipped Applicators •
- Suction Catheter •
- Suction Apparatus •
- Oxygen Source •
- Pulse Oximeter •
- New Tracheostomy Ties or Velcro Holder •
- Scissors •
- New Prepackaged Inner Cannula •
- Small Brush + Pipe Cleaner •
- Tracheostomy Collar (Mask) •
- T-Tube •
- Lubricant / Skin Barrier Cream •

Advanced Cardiac Life Support (ACLS) Equipment

- Bag-Valve-Mask (BVM) with reservoir •
- Oxygen Supply with regulator / tubing •
- Suction Device with Catheters •
- Oropharyngeal Airway (OPA) •
- Nasopharyngeal Airway (NPA) •

- Endotracheal Tubes (ETT) •
- Laryngoscope with Blades •
- Video Laryngoscope •
- Stylet or Bougie •
- Capnography (ETCO₂ Monitor) •
- Cardiac Monitor / Defibrillator •
- ECG Leads and Electrodes •
- Defibrillator Pads (adult / pediatric) •
- External Pacemaker (transcutaneous) •
- IV Cannulas •
- Intraosseous (IO) Needle and Drill •
- Normal Saline or Ringer's Lactate •
- IV Tubing and Extension Sets •
- Syringes / Needles •
- Saline Flushes •
- Blood Pressure Monitor •
- Pulse Oximeter •
- Thermometer •
- Glucometer •
- Emergency Crash Cart •
- Trauma Shears / Scissors •
- Clock or Timer •
- Documentation Forms •
- PPE •

Total Parenteral Nutrition (TPN) Equipment

- TPN Solution Bag •
 - Infusion Pump •
 - IV Tubing with In-Line Filter •
 - Central Venous Access Device (PICC / Tunneled Catheter) •
 - Dressing Supplies •
 - Alcohol Wipes •
 - Blood Sampling Supplies •
 - PPE •
-

Arterial Catheter Care Equipment

- Arterial Catheter •
 - Pressure Transducer •
 - Hemodynamic Monitoring System •
 - Pressure Bag •
 - Flush System •
 - Sterile Tubing •
 - Sterile Dressing Supplies •
 - Antiseptic •
-

Pulmonary Artery Catheter Care Equipment

- Pulmonary Artery Catheter Kit •
- Syringe (1–1.5 mL) for balloon inflation •
- Sterile Gloves •
- Sterile Gown •
- Chlorhexidine Antiseptic Solution •
- Pressure Transducer and Monitoring System •

- ECG Monitor •
- Hemodynamic Monitor •
- Normal Saline or Heparinized Saline •
- Sterile Transparent Dressing •
- Sterile Gauze •
- Waste Disposal Bag •
